PČELICA

HIGHLIGHTS FOR THE YEAR 2026

Pčelica Publishing House is one of the largest publishers of young children readers' literature in Serbia. We have been producing books for 25 years. These publications include colouring and drawing books, picture and activity books, fiction and non-fiction books and encyclopedias.

We are now presenting our publications at the Bologna Children's Book Fair for the 11th time. Since its beginnings, Pčelica Publishing House has been known for its educational publications, aimed at helping children to master the school curriculum. We have gradually expanded our product range with a variety of books for children of all ages.

Our publications are designed and reviewed by a range of experts in child development and education. Our main goals are still the same – to provide an exciting way of supporting children's learning through a variety of topics, and to encourage children to love literature and develop good reading habits. Pčelica publications are known for being informative, interactive, imaginative, fun to read, vividly illustrated.

The books presented to you are specially adapted for the foreign market. We are willing to cooperate with you in the assignment of copyright to our publications. We are looking forward to a mutual partnership!

Sincerely,
Pčelica team
